Sub: Engagement of Guest Faculty in different trades.

Madam/Sir,

In continuance to this Directorate Letter No.7774 dtd.09.07.2024 regarding guidelines for engagement of guest faculty, it is seen that several doubts have arisen regarding calculation of marks for Career marking. This is clarified as follows;

*"If a candidate secures 80% in Master Degree / Bachelor Degree/ PG Diploma, then he/she will be given 80% of 25 marks i.e 20 marks. Similarly, if a candidate secures 80% in +2 or equivalent & HSC or equivalent, he/she will be given 80% of 15 marks i.e 12 marks."*

Therefore, Career marking will be done as per the marks secured by the Candidate in the relevant examination.

It is requested to adhere to the guidelines as referred above.

Yours faithfully

  
Director 18/7/24
